

## INSTITUTE *for* HEALTH *and* HUMAN POTENTIAL

**Bill's current speaking engagements:**

Dear Operations,

### **Spotlight on: Bill Benjamin** Partner, speaker, and facilitator.

Bill has a rare perspective on Performing Under Pressure:

- He has advanced degrees in Mathematics and Computer Science.
- He also has 25 years of real-world business experience as a senior leader.

Bill brings a straightforward and practical look at how the brain responds under pressure, and he is very authentic about the fact that he struggled early in his career as a leader when he was **under pressure**. He shares how he has been able to apply the very same techniques he teaches to become a better leader (and father and husband) himself.

Bill also contributed to the New York Times and Amazon **bestselling book** *Performing Under Pressure*, co-authored by IHHP's JP Pawliw-Fry and noted psychologist Hendrie Weisinger.
