WHAT JENNIFER’S CLIENTS SAY

Jennifer is an amazing facilitator. I felt so engaged throughout the program because of her clear passion and enthusiasm for the subject, and I hope to have the opportunity to take another course with Jennifer in the future.

Jennifer was great and very engaging. I thought she did an excellent job of engaging the group and facilitating our interactions with each other.

Jennifer was awesome!! She kept everything fun and upbeat. I typically do not well as a learner in virtual training, but this **really kept my interest going** for all three days!
