WHAT ISABELLE'S CLIENTS SAY

Isabelle was a fantastic coach! She listened, interpreted what I was saying or not saying, provided personal and professional experiences that were relevant to our discussion topic and was a delight to have as a coach. She provided me with invaluable resources, tools and exercises that will help me grow personally and professionally. I would not have heard about some of these resources in any other regard. Isabelle was very easy to talk to and drew out of me several feelings/thoughts that I had not shared with anyone professionally before. I had a great experience with her.

Isabelle was a superb coach! She made me feel at ease, helped me become aware and accurate of areas of greatest opportunity, helped me shift my perspective (aha moments), provided role play/examples of how to put learnings in place, was compassionate and caring, and gave me hope and confidence to unlock potential through EI.

Isabelle was an excellent resource and listener. She provided many great tips, tools and resources that I've taken full advantage of. This aspect of my program was a significant piece that was integral in my personal and professional development.
